

Organized & Moderated by the

**AIRCRAFT ELECTRONICS**  
ASSOCIATION

# FAA & INDUSTRY ROTORCRAFT FORUM

AIRCRAFT ELECTRONICS  
ASSOCIATION

# Day 2 Agenda

---

- NextGen
- MRO
- Operators
- Avionics OEM
- Airframe OEM

- Unintended Consequences – Policy
  - Deterrent to Entrepreneurs
  - Inability to know the standards
    - The standards at the beginning of the project may not be the standards at the end of the project
    - Scheduling
    - Pricing
    - Profit/loss
    - Customer service
    - Etc.

# Considerations

---

- Need to develop policy for **necessary** installations of COTS equipment.
  - Commercial radios
- Need to find (and define) benefit of TSO
- Need to define use/value of non-TSO

# MRO/Operators

---

- Steve Wysong, Wysong Enterprises
- Bill Johnson, Metro Aviation
- Gary McIntyre, Air Methods

Facilitated by: Greg Bowles, GAMA

Various.....

H. Wayne Sanderson, Vice President - Sales & Marketing,  
*Cool City Avionics*

# Discussions?
